

What's Your Word? Devotion.

What's Your Word? **Necessity.**

“ I recently received a book from our Superintendent of Catholic Schools, Deacon Huff, entitled “Educating for Eternity.” The title of that book immediately struck me, and those three words highlighted the necessity for Catholic Education in our world today. We are educating for eternity. Why? Because we are made for eternity. It is so necessary that Catholic schools exist because we can teach about the immortality of the soul and our duty to worship God. We are made by God and for God and so a Catholic school is necessary so that we never lose focus of that ultimate, eternal purpose.

” *Edward M. Rice*

The Most Reverend Edward M. Rice
Bishop of Springfield-Cape Girardeau

What's Your Word? **Transformative.**

“ Jesus Christ is the sole reason our school exists. He is the Unseen and Ever-Present Teacher in our building. At Notre Dame High School, we provide our students the tools to have a transformative experience of faith. Faith discussions, daily prayers, weekly Masses, annual retreat and service opportunities, and a faculty and staff that are committed to the faith mission of the school are ways that we work with our students and their families to grow in faith. Equipped with the grace that God has provided them, our students can leave as apostles of Christ ready to transform the world.

” *Tim R. Garner, M.Ed.*

NDHS EDUCATIONAL FUND Foundation

About the Foundation

The NDHS Education Fund Foundation's mission is to develop, promote, and sustain Catholic secondary education exclusively at Notre Dame Regional High School, through the stewardship of the endowed and designated funds entrusted to the Foundation.

The Foundation believes that every child has the potential to be an apostle of Jesus Christ, and it's members are motivated by our core values of academic excellence based upon the Gospel values centered in the Roman Catholic Church.

History

The Notre Dame Education Fund Foundation was established in 1980 to ensure financial stability for Notre Dame Regional High School. The purpose of the Foundation is to assist in defraying the rising cost of educating Notre Dame students. The contributions received are

endowed, invested, and reinvested with earnings on investments transferred to the school annually.

Since contributions are endowed, donations continue to give, grow, and help sustain Catholic secondary education in southeast Missouri.

The first stipend was awarded in 1983, only three years after the Foundation's inception. It totaled \$7,000. The *Margin for Excellence* drive in 1985 successfully reached its goal of \$2.5 million endowed monies to serve as a solid base of funds.

Stipends have been awarded each year since 1983. Funds, which have been transferred to the school during that time, total in excess of \$2 million.

Today, the endowment continues to provide approximately \$130,000 in operating expense and over \$79,000 of assistance

from designated funds to the school, on an annual basis.

The Foundation currently has approximately \$7.4 million of total assets (\$7.1M endowed), under its management.

The funds are invested by the local Foundation Board of Directors, consisting of 12 elected members, the Bishop of the Springfield-Cape Girardeau Diocese, and the school principal.

Firmly built on the foresight and sacrifice of the past, the Notre Dame Education Fund Foundation stands as a sturdy financial base to sustain and promote Catholic secondary education for students in Cape Girardeau, Missouri, and the surrounding region throughout southeast Missouri and southern Illinois.

Acts OF THE APOSTLES

In Scripture, the book of the Acts of the Apostles demonstrates the importance of missionary work in the early church. The Acts of the Apostles Society of Notre Dame Regional High School was created to recognize our generous donors and meet the financial needs of the school as it continues to spread the Gospel one student at a time. This community of donors is committed to Notre Dame Regional High School's motto, "Give us your child and we shall return you an apostle." Those donors who make a cumulative donation of \$1,000 or more within the fiscal year will become members of the Acts of the Apostles Society. Annunciation Awards are presented to individuals who have devoted immeasurable time, talent or treasure to sustain Catholic Secondary Education.
